RE: Job Posting for Pastor of Youth Ministry

Bethel Church is located just outside of Carstairs, AB, in beautiful Mountain View County (located 65 kms from north Calgary, AB). Since 1903, God has been faithful to this body of believers, inviting us to participate in His Kingdom work in our lives, our community, and our world.

Today, Bethel Church is a growing church experiencing many changes. We are a congregation of 400+ people on Sunday mornings, with a youth ministry reaching over 100 junior and senior high aged students (as well as their families and friends). We are beginning the search for a Pastor of Youth Ministry to join our pastoral team and to be part of the ministry of Jesus Christ through Bethel Church.

Our Search Committee has prepared a package of information for interested candidates. This package includes:

- Local community profile
- Bethel Church profile, with specific focus on our Youth Ministry
- Job description

This full package can be sent electronically upon request.

Interested candidates can send their resume (or questions) electronically to [office@bethelemc.org](mailto:office@bethelemc.org) or you can contact our church office (403-337-2355) to speak with a Search Committee member. The search committee will ask select candidates to provide additional information, including a one-page philosophy of ministry, references, and a personal bio/ testimony.

*Not all candidates will be responded to, but we will do our best to contact those who apply.*

You can find out more about Bethel Church on our website – [www.bethelemc.org](http://www.bethelemc.org). If you are led to explore this opportunity further, we encourage you to do so prayerfully – and we want to assure you that we are doing the same.

Sincerely,

Pastor of Youth Ministry Search Committee
